Movie, Documentary or Book Review Form

To receive any credit on this project all sections of the review form must be completed properly. Complete your 250-word review on a separate sheet of paper. You **MUST** refer to your textbook, target sheets, and actual learning we have done (or will do) this semester in your review. I will not accept it without that connection and application to the course. (In other words, you can't copy a review from a website -or- just 'make it up')

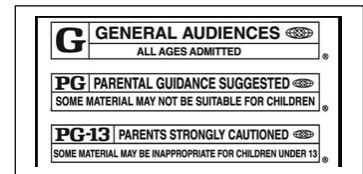

1. Name of movie, doc, or book _____

- Year released or published _____

2. Main actors and their characters and/or characters of the book:

3. RATING BY THE MOTION PICTURE ASSOCIATION OF AMERICA

(circle or check mark one to the right):

4. All extra credit reviews require a parent signature. Mandatory signature verification- a parent must sign toon the line above to verify you completed this assignment as per instructions. Will not be graded without a signature. Place your parent signature on the following line _____ . DATE _____

5. Your quick rating:

Circle rating for movie/doc/book deserves. 5 Stars = AWESOME

6. Review: Write a 250 word (minimum) review. Include a brief summary and your opinions about what worked and what didn't work. Also must relate the content back to the class and specifically to what we have studied as mentioned below.

You must relate and apply your review to what we are studying in class! Mr. Pustay will not grade a review unless you apply it back to the course.

- ★ DO NOT just give a "review" of the movie, documentary, or book.
- ★ Review **MUST** be in narrative format
- ★ Use course Vocabulary
- ★ Explain Course Concepts, Learning Targets, and Objectives

Make **recommendations** (suggestions on how you would have adjusted or changed it) and **commendations** (things you really liked). Give **specific examples** to support your views. **List the total number of words at the end of the review.**

You must receive Mr. Pustay's approval on the movie, documentary, or book prior to completing the XCREDIT. In addition, you may be interviewed by students in the class or your teacher to determine what you learned
