

WELCOME LETTER 2018-19

Please REVIEW my WEBSITE and the RULES, EXPECTATIONS, POLICIES & PROCEDURES from the HOMEPAGE. This really is just to introduce what we are doing, and what we will be doing throughout the year itself. It helps me create a foundation with my students, but equally important...our parents. This WELCOME LETTER will count as the student's FIRST HOMEWORK assignment and an easy grade (50 points).

Please PRINT and COMPLETE and turn in by Monday, August 13, 2018.
